

INDEX

- ADHESIONS**, Cauterisation of, 177
 Adult Type of Early Pulmonary Tuberculosis, 204
 After Care, 102, 173
 Artificial Pneumothorax, 11, 55, 81, 96
- Behrens, W.**, Plombage Operation in Pulmonary Tuberculosis, 17
- Bireh, Alan C.**, Fatal Case of Spontaneous Hæmo-pneumothorax, 99
- Blackburn, J. H.**, Tuberculin Treatment by Percutaneous Method, 164
- Bones and Joints**, Tuberculosis of, 104
- Broncho-Pneumonia**, Chronic Diffuse, 186
- Bronchospirometry**, 114
- Brooks, W. D.**, Pulmonary Infarction, 91
- Burrell, L. S. T.**, Absence of Movement on One Side of the Chest, 45
 Post-Operative Gangrene of Skin, 46
- Cavities**, 14, 160
- Cauterisation of Adhesions**, 177
- Chest Wall**, Tuberculous Lesion of, 97
- Children and Tuberculosis**, 103, 125
- Chirurgie de la Tuberculose Pulmonaire** (Review), 51
- Cinematography of Chest**, 172
- Clarke, B. R.**, Treatment of Pulmonary Tuberculosis by Phrenic Evulsion, 9
- Climate and Tuberculosis**, 142, 176
- CLINICAL CASES**, 45, 46, 91-110, 160-163, 228-233
- Clinical Tuberculosis** (Review), 106
- Colony, East Lancashire**, 170
- CONSULTATIONS**, 42, 88, 166, 234
- Craig, J. W.**, Tomography, 152
- Davidson, Maurice**, Extensive Tuberculous Lesions without Serious Impairment of Health, 3
- Diagnosis in Treatment of Pulmonary Tuberculosis** (Review), 108
- Dispensary Systems in France, Holland, Leeds**, 171
- Dundee, F. J.**, When should Refills be stopped? 55
- East Lancashire Colony**, 170
- EDITORIALS**, 1, 53, 109, 181
- Edwards, A. Tudor**, Consultation, 234
- Egypt**, Tuberculosis in, 62
- Endoscopie et Pleurolyse** (Review), 52
- Epididymo-Orchitis**, Tuberculous, 232
- Erythema Nodosum**, 84
- Eye**, Tuberculosis of, 48
- France**, Dispensary System in, 171
- Gangrene of Skin, Post-Operative**, 46
- Gynaecological and Obstetrical Tuberculosis** (Review), 5
- Hæmorrhages, Perifocal and Traumatic**, 25
- Holland, Dispensary System in**, 171
- Hudson, B.**, Small Localised Artificial Pneumothorax, 81
- Industrialism and Tuberculosis**, 49
- Infarction, Pulmonary**, 91
- Infection and Tuberculosis**, 125
- Infra-Red Irradiation** (Review), 240
- Injury and Tuberculosis**, 1
- Intestinal Tuberculosis**, 103, 237
- Jacobaeus, H. G.**, Bronchospirometry, 114
- Johannes de Mirfield** (Review), 240
- Joint Tuberculosis Council**, 49, 101
- La Pratique du Pneumothorax Therapeutique** (Review), 240
- Laryngeal Pain, Relief of**, 155
- Laryngitis, Tuberculous**, 48
- Learyod, C. G.**, Psychology of the Tuberculous, 111
- Lee Lander, F. P.**, Senile Pulmonary Tuberculosis, 183
- Leeds, Dispensary System in**, 171
- Lymphatic System and Tuberculosis** (Review), 52
- MacCallum, D.**, Perifocal and Traumatic Hæmorrhage in Pulmonary Tuberculosis, 25
- MacIntyre, E. J.**, Sources of Infection in Primary Tuberculosis of Childhood, 125
- Marais, D. P.**, Clinical Estimate of Resistance in Pulmonary Tuberculosis, 72
- Maxwell, J.**, Complete Recovery from Miliary Tuberculosis of the Lung, 228
- Meningitis, Tuberculous**, 125
- Miliary Tuberculosis**, 125, 175, 228
- Milk, Production and Control of** (Review), 107
- Miller, A. K.**, Blood Sedimentation Test, 39
- Morland, A.**, Climate and Tuberculosis, 142
- Myers, Maurice**, Infiltrating Tuberculous Lesion of Chest Wall, 97
- Nose, Throat and Ear, Disease of** (Review), 178
- Nursing Trail, Peeps on** (Review), 179
- Edema of Lung and Pneumothorax**, 96
